The **SAFE** *Storybook Gala*

For too many kids growing up in Austin, child abuse is a life sentence. Every year, there are more than 2,000 cases of child abuse reported, and over 400 children are removed from their homes as a result.

This suffering and trauma affects their long-term physical and mental health — leading to a greater risk of incarceration, teen pregnancy, dropping out of school, homelessness, and suicide. SAFE is working to help kids heal and recover from trauma so they can live successful, independent lives. We cannot achieve this without your support.

About SAFE |

The SAFE Alliance serves survivors of child abuse, sexual assault and exploitation, and domestic violence. We provide housing for people in crisis, counseling to help survivors heal, and prevention programs to stop violence before it ever happens.

Our Mission

Stop abuse for everyone.

Our Vision

A just and safe community.

About the Children's Shelter

The SAFE Children's Shelter supports children, young adults, and families affected by abuse, exploitation, and neglect. Every child deserves to feel safe, to receive nurturing care, and to have the opportunity to grow into happy, responsible, and fulfilled adults.

For more than 30 years we have served the most vulnerable members of our community – which has often meant adapting and changing. Through the merger of Austin Children's Shelter and SafePlace, and the creation of SAFE, we are better able to work toward our vision of ending violence and abuse.

Your generous support of this event helps change lives. Thank you.
