Who should I contact if I'd like to organize a drive?

Please email inkind@safeaustin.org if you'd like to organize a drive. We can direct you to the current highest need and approved kits, provide logos, and provide more information/answer any questions.

Can I give my donation directly to a client?

Due to confidentiality, this is not a possibility. However, you can [click here](#) to view our volunteer opportunities and increase your engagement with SAFE!

Does my donation go directly to and support SAFE clients?

Yes! All new and like-new in-kind donations, which serve a current client need, go directly on the shelves in the SAFE Warehouse to then be distributed to the clients we serve. There is no charge to SAFE clients to accept the items you donate.
