

Community donations help provide basic needs, clothing, and household items to assist survivors and their families. Please email [inkind@safeaustin.org](mailto:inkind@safeaustin.org) with any questions, if you'd like to donate furniture, or if you're interested in hosting a drive. You can also view our SAFE Kits options: [safeaustin.org/inkindkits](https://safeaustin.org/inkindkits).

Any **hygiene products, food, and medications must be new**. Other items can be in "like new" condition – good enough that you would feel comfortable gifting to a good friend. You can also...
