

Community donations help provide basic needs, clothing, and household items to assist survivors and their families. Please email inkind@safeaustin.org with any questions, if you'd like to donate furniture, if you're interested in hosting a drive, or if you'd like this list highlighted with our current most needed items (as it can change week to week). You can also view our SAFE Kits options: safeaustin.org/inkindkits.

During the holiday season, due to staff and storage capacity, SAFE prefers only NEW donations from Nov. 1 – Jan. 31, 2025. Please hold onto gently used donations until February 3, 2025. Thank you for your understanding! Any **hygiene products, food, personal care, and medications must be new**. Other items can be in "like new" condition – good enough that you would feel comfortable gifting to a good friend. You can also...
